

Hello!

We're counting down the days now to D-Day. Terry and I are excited to see you and share our wedding day with you. We thought we'd write you this letter to update you with some information about the wedding. If you have access to the Internet you can view our website at: <http://www.TerryandAli.com> The website is a great way to stay updated with us. There is all this information, maps, weather forecasts for Yankton, photos of us, and more!

When you arrive at Lewis & Clark Lake, you **will NOT** need to buy any kind of park permits or passes. Just tell the girl at the gate that you are with the Thompson-Fricke wedding, and they will keep track and bill Terry and I.
